ABOUT OUR TEAM

Corner Canyon High School mountain bike team is gearing up for another amazing season in 2022. This is the 11th season of the Utah High School Cycling league and we want you to be part of our team! In 2021, we had 200 student athletes racing in all levels with over 80% of our riders qualifying for the State Championships. Our team participates in 4 sanctioned races throughout the state involving well over 1,400 athletes each. Corner Canyon continues to be the largest high school mountain biking team in the nation and the benchmark for excellence in high school mountain biking.

Mountain biking is not a sanctioned school sport, therefore 100% of the time and expense come from volunteers, student-athletes and sponsors. We rely heavily on the donations of local companies to keep our team running smoothly! With your help we can provide scholarship assistance for student-athletes in need; practice equipment and supplies such as first aid kits, tubes, and training necessities; race day supplies such as food, drinks, canopies, chairs; and coach training & registration. We are also able to provide team bonding activities and events that help build our community. As a 501c3 nonprofit organization, your contribution may be tax-deductible to the extent allowed by law.

WE LOVE OUR SPONSORS!
